I have answered all the above in truth and to the best of my ability. My signature below authorizes the MAYAA Board to run a background investigation on me. I understand that if appointed to a Coaching position, such position is conditional upon the MAYAA Board receiving no inappropriate information on my background. I also understand that regardless of previous coaching experience, whether for Mt. Airy Football or another Program, I may not be appointed to a Coaching position for the 2010 Season.

I also agree and understand that I may not be placed at the level of my child and although I have indicated a desired position, the needs of the Mt. Airy Football Program may or may not be at that desired position. My application will remain on file should that position become available.
